

AMENDMENT TO THE SPECIFICATION

Please replace the paragraph found on page 14, lines 16-23 of the specification, that begins with “It will be clear that the embodiment...” and ends with “...are fixed to the container 50 when the bag is empty”, with the following replacement paragraph:

It will be clear that the embodiment of the first aspect of the invention described above has been described solely by way of example and not with any restrictive significance and that various changes and modifications are possible without going beyond the core of the invention and that the scope of protection of the first aspect is determined solely by the appended Claims. It will also be clear that the embodiment described with reference to Fig. 4 is not only in accordance with the first aspect of the invention but is also in accordance with the second aspect of the invention if connection ~~stab 25~~ stubs 15 and 16 are fixed to the container 50 when the bag is empty.
